What A Girl Wants: A Valentine's Day Gift Guide

By [Xu Ci En](#) on 1/31/11 | Categorized under [design & living](#)

Men, we know Valentine's Day tends to strike fear in your hearts especially when your special someone is likely to have — unspoken or otherwise — expectations of the big day. Just when you spent December cracking your brains for the perfect Christmas gift, you now have to scramble for the perfect Valentine's Day present. Throw me a bone, I hear you say. To give you some ideas, here's our handy gift guide with gifts that will please even the fussiest partner — and if she doesn't appreciate your efforts, just dump her already.

Clockwise from top left: Prada iPad Case in red, SGD390. OPI Katy Perry nail polish collection, SGD22 each. TAG Heuer F1 Lady Ceramic with Diamonds, SGD4,100. Shanghai Tang Travalo refillable travel fragrance set, SGD225.

Top: 8D7N luxury camping holiday in the Moroccan desert. All tours, transfers and entrance fees are included. International flights are not included, private jet charter optional. Contact [Urbane Nomads](#) at 6728 8614 for more information.

Romance your partner with a breathtaking view on the 62nd level of One Raffles Place (OUB Centre) and a special menu that features dishes like lobster done Japanese style, Iberico bellota with late summer figs and raspberry chiffon cake and macarons (pictured above).
